with hospital outreach
laboratory data.

LABORATORY ECONOMICS is offering a database of all 3,300+ U.S. hospitals with laboratory outreach programs. The database includes annual Medicare Part B fee-for-service clinical lab and anatomic pathology test volumes and payments data for all U.S. hospitals. The database comes in easy-to-use and searchable Excel spreadsheets. It includes detailed data for each hospital outreach laboratory from the smallest to the largest. As a bonus, this database also includes detailed information on more than 100 hospital-owned independent labs (e.g., Sonora Quest Labs, Northwell Health Labs, ACL Labs, Tricare Reference Labs, HNL Laboratory Medicine, etc.).

The Data is Presented in a User-Friendly Excel Spreadsheet and Includes:

- Hospital Name
- Complete Address
- Health System Affiliation
- Total Laboratory Outpatient Charges (2022)
- Hospital-Specific Annual Medicare Part B Clinical Laboratory Test Volume and Payments for Outreach (2022)
- Hospital-Specific Annual Medicare Part B Anatomic Pathology Test Volume and Payments for Outreach (2022)
- Overall Estimated Annual Clinical Lab & Anatomic Pathology Outreach Revenue by Hospital (2022)
